Discretionary Units refer to a length of time (weeks, months, trimester) or activity (such as per credit academic instruction) Please note that NCM does not accept any time unit longer than a trimester. The Discretionary Unit and Remuneration associated with it is recurring through the contract length. A new Preceptor Fee Agreement can be submitted at the end of any Discretionary Unit.

Remuneration is exchanged between student and preceptor only. Remuneration can be delineated in a myriad of ways, including but not limited to an exchange of personal and professional services, office work, payment by student to preceptor, or even preceptor remuneration to the advanced student for birth assistant services when appropriate.

Remuneration is defined by Discretionary Units and includes specifics, such as type of work, dollar amounts, and acknowledgement of completion (for example a time sheet, receipt, etc.). If the remuneration is not a monetary amount there still must be a monetary amount associated with the remuneration. (e.g. 5 hours of office work @ \$15/hr).
